PROFITS OF CORPORATIONS TAXABLE TO STOCKHOLDERS.

SEC. 220. That if any corporation, however created or organized, is formed or availed of for the purpose of preventing the imposition of the surtax upon its stockholders or members through the medium of permitting its gains and profits to accumulate instead of being divided or distributed, such corporation shall not be subject to the tax imposed by section 230, but the stockholders or members thereof shall be subject to taxation under this title in the same manner as provided in subdivision (e) of section 218 in the case of stockholders of a personal service corporation, except that the tax imposed by Title III shall be deducted from the net income of the corporation before the computation of the proportionate share of each stockholder or member. The fact that any corporation is a mere holding company, or that the gains and profits are permitted to accumulate beyond the reasonable needs of the business, shall be prima facie evidence of a purpose to escape the surtax; but the fact that the gains and profits are in any case permitted to accumulate and become surplus shall not be construed as evidence of a purpose to escape the tax in such case unless the Commissioner certifies that in his opinion such accumulation is unreasonable for the purposes of the business. When requested by the Commissioner, or any collector, every corporation shall forward to him a correct statement of such gains and profits and the names and addresses of the individuals or shareholders who would be entitled to the same if divided or distributed, and of the amounts that would be payable to each.

PAYMENT OF TAX AT SOURCE.

SEC. 221. (a) That all individuals, corporations and partnerships, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States, having the control, receipt, custody, disposal, or payment, of interest, rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual (other than income received as dividends from a corporation which is taxable under this title upon its net income) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 8 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon

any such bonds, mortgages, deeds of trust or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1, a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under section 217.

(c) Every individual, corporation, or partnership required to deduct and withhold any tax under this section shall make return thereof on or before March first of each year and shall on or before June fifteenth pay the tax to the official of the United States Government authorized to receive it. Every such individual, corporation, or partnership is hereby made liable for such tax and is hereby indemnified against the claims and demands of any individual, corporation, or partnership for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be re-collected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

CREDIT FOR TAXES.

SEC. 222. (a) That the tax computed under Part II of this title shall be credited with:

(1) In the case of a citizen of the United States, the amount of any income, war-profits and excess-profits taxes paid during the taxable year to any foreign country, upon income derived from sources therein, or to any possession of the United States; and

(2) In the case of a resident of the United States, the amount of any such taxes paid during the taxable year to any possession of the United States; and

(3) In the case of an alien resident of the United States who is a citizen or subject of a foreign country, the amount of any such taxes paid during the taxable year to such country, upon income derived from sources therein, if such country, in imposing such taxes, allows a similar credit to citizens of the United States residing in such country; and

(4) In the case of any such individual who is a member of a partnership or a beneficiary of an estate or trust, his proportionate share of such taxes of the partnership or the estate or trust paid during the taxable year to a foreign country or to any possession of the United States, as the case may be.

(b) If accrued taxes when paid differ from the amounts claimed as credits by the taxpayer, or if any tax paid is refunded in whole or in part, the taxpayer shall notify the Commissioner who shall redetermine the amount of the tax due under Part II of this title for the year or years affected, and the amount of tax due upon such redetermination, if any, shall be paid by the taxpayer upon notice and demand by the collector, or the amount of tax overpaid, if any, shall be credited or refunded to the taxpayer in accordance with the pro-

corporation for the taxable year in the same manner as provided in subdivision (a) of section 218 in the case of members of a partnership. The fact that any corporation is a mere holding company, or that the gains and profits are permitted to accumulate beyond the reasonable needs of the business, shall be prima facie evidence of a purpose to escape the surtax; but the fact that the gains and profits are in any case permitted to accumulate and become surplus shall not be construed as evidence of a purpose to escape the tax in such case unless the Commissioner certifies that in his opinion such accumulation is unreasonable for the purposes of the business. When requested by the Commissioner, or any collector, every corporation shall forward to him a correct statement of such gains and profits and the names and addresses of the individuals or shareholders who would be entitled to the same if divided or distributed, and of the amounts that would be payable to each.

PAYMENT OF INDIVIDUAL'S TAX AT SOURCE.

SEC. 221. (a) That all individuals, corporations, and partnerships, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States having the control, receipt, custody, disposal, or payment of interest (except interest on deposits with persons carrying on the banking business paid to persons not engaged in business in the United States and not having an office or place of business therein), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual or partnership composed in whole or in part of nonresident aliens (other than income received as dividends of the class allowed as a credit by subdivision (a) of section 216) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 8 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon, or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon any such bonds, mortgages, deeds of trust, or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1 a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under subdivision (g) of section 217.

(c) Every individual, corporation, or partnership required to deduct and withhold any tax under this section shall make return thereof on or before March 1 of each year and shall on or before June 15, pay the tax to the official of the United States Government authorized to receive it. Every such individual, corporation, or partnership is hereby made liable for such tax and is hereby indemnified against the claims and demands of any individual, corporation, or partnership for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be recollected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

CREDIT FOR TAXES IN CASE OF INDIVIDUALS.

SEC. 222. (a) That the tax computed under Part II of this title shall be credited with:

(1) In the case of a citizen of the United States, the amount of any income, war-profits and excess-profits taxes paid during the taxable year to any foreign country or to any possession of the United States and

(2) In the case of a resident of the United States, the amount of any such taxes paid during the taxable year to any possession of the United States; and

(3) In the case of an alien resident of the United States, the amount of any such taxes paid during the taxable year to any foreign country, if the foreign country of which such alien resident is a citizen or subject, in imposing such taxes, allows a similar credit to citizens of the United States residing in such country; and

(4) In the case of any such individual who is a member of a partnership or a beneficiary of an estate or trust, his proportionate share of such taxes of the partnership or the estate or trust paid during the taxable year to a foreign country or to any possession of the United States, as the case may be.

(5) The above credits shall not be allowed in the case of a citizen entitled to the benefits of section 262; and in no other case shall the amount of credit taken under this subdivision exceed the same proportion of the tax, against which such credit is taken, which the taxpayer's net income (computed without deduction for any income, war-profits and excess-profits taxes imposed by any foreign country or possession of the United States) from sources without the United States bears to his entire net income (computed without such deduction) for the same taxable year.

(b) If accrued taxes when paid differ from the amounts claimed as credits by the taxpayer, or if any tax paid is refunded in whole or in part, the taxpayer shall notify the Commissioner, who shall redetermine the amount of the tax due under Part II of this title for the year or years affected, and the amount of tax due upon such redetermination, if any, shall be paid by the taxpayer upon notice and demand by the collector, or the amount of tax overpaid, if any, shall be credited or refunded to the taxpayer in accordance with the provisions of section 252. section, but the amount actually distributed or made available to any distributee shall be taxable to him in the year in which so distributed or made available to the extent that it exceeds the amounts paid in by him. Such distributees shall for the purpose of the normal tax be allowed as credits such part of the amount so distributed or made available as represents the items specified in subdivisions (a) and (b) of section 216.

(g) Where the grantor of a trust has, at any time during the taxable year, either alone or in conjunction with any person not a beneficiary of the trust, the power to revest in himself title to any part of the corpus of the trust, then the income of such part of the trust for such taxable year shall be included in computing the net income of the grantor.

(h) Where any part of the income of a trust may, in the discretion of the grantor of the trust, either alone or in conjunction with any person not a beneficiary of the trust, be distributed to the grantor or be held or accumulated for future distribution to him, or where any part of the income of a trust is or may be applied to the payment of premiums upon policies of insurance on the life of the grantor (except policies of insurance irrevocably payable for the purposes and in the manner specified in paragraph (10) of subdivision (a) of section 214), such part of the income of the trust shall be included in computing the net income of the grantor.

EVASION OF SURTAXES BY INCORPORATION.

SEC. 220. (a) If any corporation, however created or organized, is formed or availed of for the purpose of preventing the imposition of the surtax upon its shareholders through the medium of permitting its gains and profits to accumulate instead of being divided or distributed, there shall be levied, collected, and paid for each taxable year upon the net income of such corporation a tax equal to 50 per centum of the amount thereof, which shall be in addition to the tax imposed by section 230 of this title and shall (except as provided in subdivision (d) of this section) be computed, collected, and paid upon the same basis and in the same manner and subject to the same provisions of law, including penalties, as that tax.

(b) The fact that any corporation is a mere holding or investment company, or that the gains or profits are permitted to accumulate beyond the reasonable needs of the business, shall be prima facie evidence of a purpose to escape the surtax.

(c) When requested by the Commissioner, or any collector, every corporation shall forward to him a correct statement of such gains and profits and the names and addresses of the individuals or shareholders who would be entitled to the same if divided or distributed, and of the amounts that would be payable to each.

(d) As used in this section the term "net income" means the net income as defined in section 232, increased by the sum of the amount of the deduction allowed under paragraph (6) of subdivision (a) of section 234, and the amount of the interest on obligations of the United States issued after September 1, 1917, which would be subject to tax in whole or in part in the hands of an individual owner.

PAYMENT OF INDIVIDUAL'S TAX AT SOURCE.

SEC. 221. (a) All persons, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States having the control, receipt, custody, disposal, or payment of interest (except interest on deposits with persons carrying on the banking busi-

ness paid to persons not engaged in business in the United States and not having an office or place of business therein), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual, or of any partnership not engaged in trade or business within the United States and not having any office or place of business therein and composed in whole or in part of nonresident aliens, (other than income received as dividends of the class allowed as a credit by subdivision (a) of section 216) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 6 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon, or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon any such bonds, mortgages, deeds of trust, or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1 a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under subdivision (g) of section 217.

(c) Every person required to deduct and withhold any tax under this section shall make return thereof on or before March 15 of each year and shall on or before June 15 pay the tax to the official of the United States Government authorized to receive it. Every such person is hereby made liable for such tax and is hereby indemnified against the claims and demands of any person for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be recollected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

PAYMENT OF INDIVIDUAL'S TAX AT SOURCE

SEC. 221. (a) All persons, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States, having the control, receipt, custody, disposal, or payment of interest (except interest on deposits with persons carrying on the banking business paid to persons not engaged in business in the United States and not having an office or place of business therein), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual, or of any partnership not engaged in trade or business within the United States and not having any office or place of business therein and composed in whole or in part of nonresident aliens, (other than income received as dividends of the class allowed as a credit by subdivision (a) of section 216) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 5 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon, or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon any such bonds, mortgages, deeds of trust, or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1 a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under subdivision (g) of section 217. Such deduction and withholding shall be at the rate of 1½ per centum instead of at the rate of 2 per centum in the case of a citizen or resident entitled to receive such interest if he files with the withholding agent on or before February 1 a signed notice in writing that his net income in excess of the credits provided in section 216 does not exceed \$4,000.

(c) Every person required to deduct and withhold any tax under this section shall make return thereof on or before March 15 of each year and shall on or before June 15 pay the tax to the official of the United States Government authorized to receive it. Every such person is hereby made liable for such tax and is hereby indemnified against the claims and demands of any person for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be re-collected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

CREDIT FOR TAXES IN CASE OF INDIVIDUALS

SEC. 222. (a) The tax computed under Parts I and II of this title shall be credited with:

(1) In the case of a citizen of the United States the amount of any income, war-profits, and excess-profits taxes paid or accrued during the taxable year to any foreign country or to any possession of the United States; and

(2) In the case of a resident of the United States, the amount of any such taxes paid or accrued during the taxable year to any possession of the United States; and

(3) In the case of an alien resident of the United States, the amount of any such taxes paid or accrued during the taxable year to any foreign country, if the foreign country of which such alien resident is a citizen or subject, in imposing such taxes, allows a similar credit to citizens of the United States residing in such country; and

(4) In the case of any such individual who is a member of a partnership or a beneficiary of an estate or trust, his proportionate share of such taxes of the partnership or the estate or trust paid or accrued during the taxable year to a foreign country or to any possession of the United States, as the case may be.

(5) The above credits shall not be allowed in the case of a citizen entitled to the benefits of section 262; and in no other case shall the amount of credit taken under this subdivision exceed the same proportion of the tax (computed on the basis of the taxpayer's net income without the deduction of any income, war-profits, or excess-profits tax any part of which may be allowed to him as a credit by this section), against which such credit is taken, which the taxpayer's net income (computed without the deduction of any such income, war-profits, or excess-profits tax) from sources without the United States bears to his entire net income (computed without such deduction) for the same taxable year.

(b) If accrued taxes when paid differ from the amounts claimed as credits by the taxpayer, or if any tax paid is refunded in whole or in part, the taxpayer shall notify the Commissioner, who shall redetermine the amount of the tax due under Parts I and II of this title for the year or years affected, and the amount of tax due upon such redetermination, if any, shall be paid by the taxpayer upon notice and demand by the collector, or the amount of tax overpaid,

(1) Every individual having a net income for the taxable year of \$1,500 or over, if single, or if married and not living with husband or wife;

(2) Every individual having a net income for the taxable year of \$3,500 or over, if married and living with husband or wife;

(c) Law applicable to fiduciaries.—Any fiduciary required to make a return under this title shall be subject to all the provisions of law which apply to individuals.

SEC. 144. WITHHOLDING OF TAX AT SOURCE.

(a) Tax-free covenant bonds.—

(1) REQUIREMENT OF WITHHOLDING.—In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon, or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods, if payable to an individual, a partnership, or a foreign corporation not, engaged in trade or business within the United States and not having any office or place of business therein: *Provided*, That if the liability assumed by the obligor does not exceed 2 per centum of the interest, then the deduction and withholding shall, after the date of the enactment of this Act, be at the following rates: (A) 5 per centum in the case of a nonresident alien individual, or of

any partnership not engaged in trade or business within the United States and not having any office or place of business therein and composed in whole or in part of nonresident aliens, (B) 12 per centum in the case of such a foreign corporation, and (C) 2 per centum in the case of other individuals and partnerships: *Provided further*, That if the owners of such obligations are not known to the withholding agent the Commissioner may authorize such deduction and withholding to be at the rate of 2 per centum, or, if the liability assumed by the obligor does not exceed 2 per centum of the interest, then at the rate of 5 per centum.

(2) BENEFIT OF CREDITS AGAINST NET INCOME.—Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1 a signed notice in writing claiming the benefit of the credits provided in section 25 (c) and (d); nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under section 215.

(3) WITHHOLDING AT LOWER RATE.—Such deduction and withholding shall be at the rate of 1½ per centum instead of at the rate of 2 per centum in the case of a citizen or resident entitled to receive such interest if he files with the withholding agent on or before February 1 a signed notice in writing that his net income in excess of the credits against net income provided in section 25 does not exceed \$4,000.

(4) INCOME OF OBLIGOR AND OBLIGEE.—The obligor shall not be allowed a deduction for the payment of the tax imposed by this title, or any other tax paid pursuant to the tax-free covenant clause, nor shall such tax be included in the gross income of the obligee.
